***IRB 101<sup>sm</sup> – SBER*** is a full-day program that will provide attendees with the fundamentals they need to do their jobs more ethically, more energetically, more effectively, and more efficiently. It's a great "nuts and bolts" introduction for newcomers to the field, and a terrific refresher course for those who are more seasoned. Through a series of lectures, interactive discussions, and case studies, ***IRB 101<sup>sm</sup> – SBER*** will cover the ethics, history, and federal regulations related to the conduct of social, behavioral, and educational research involving human subjects.
