

Tissue Banking in 2010 and Beyond

**The Drake Hotel • Chicago, IL
May 5, 2010 • 8:30 AM-4:30 PM**

FACULTY

P. Pearl O'Rourke, MD
Director, Human Research Affairs
Partners Healthcare System, Inc.

Judith Scheer, SM, RN
Chair, Partners Human Research Committee
Massachusetts General Hospital /
Brigham & Women's Hospital

During this course, two highly experienced faculty will initiate discussions surrounding the importance of tissue banking, standard models of tissue banking, and the basic regulatory approaches that inform the role of the IRB; review the 'gnarly' issues surrounding tissue banking, such as consent forms and process, return of research results, identifiability of specimens, and centralized banks; and engage participants in interactive case-based discussions on the challenges IRB members encounter when reviewing protocols that include tissue banking.
