An Allegation is Received → Notify Necessary Parties *

Investigation Subcommittee Presents Findings to the IACUC → IACUC Determines if Allegations are Substantiated

**YES**

- Determine corrective actions/preventive measures
- Inform all parties previously included in notification
- Inform all parties who need to take further action (e.g., provide training)
- Take corrective actions and put in place preventive measures
- Make final report to OLAW, AAALAC, funding component, if necessary
- Review program and action plan to see if any improvement is necessary

**NO**

- Review program and action plan to see if any improvement is necessary
- Inform all parties previously included in initial report
- If necessary, let OLAW know to rescind the earlier report

Once Corrective Actions are Completed:
- Inform all parties previously included in notification of investigation
- Whistleblower, if they requested information on outcome
- Funding component, if IACUC suspended protocol or animal activity was conducted without IACUC approval
- USDA, if IACUC suspended protocol or significant deficiencies were not corrected according to schedule

* Those who may need to be notified or involved can include:
  - General Counsel
  - Public Information Office
  - IO and leadership of institution
  - Facility Security
  - Human Resources (if personnel issues)
  - Safety Committee/Officer (if safety issues)
  - Other Regulatory agencies
  - OLAW (if Assured)
  - AAALAC (if accredited)
  - Funding Agency?
  - Others?
