The 2020 IACUC Conference (IACUC20) will be held on April 5-7 at the Renaissance Orlando at SeaWorld®. Join us and 500+ attendees in sunny Florida for the event on animal care and use administration and oversight, and the ethical issues and the federal regulations governing the use of animals in research.

Who attends?

- IACUC20 brings together 500+ professionals from public and private institutions, the federal government, industry, and academia.
- Attendees include directors of research, IACUC directors, administrators, and members; attending veterinarians; lab professionals; compliance personnel; educators and trainers; welfare advocates; and more.
- Many of these individuals either make or influence purchasing decisions related to the products and services you offer.

Why should you exhibit? Our supporters and exhibitors play an important role in this conference by providing attendees with information on the resources they provide—resources that help educate, improve efficiency, streamline processes, and much more.

We provide maximum opportunities for exposure, including:

- Exhibit Area located directly outside general session — a high-traffic area home to lunch, breaks, receptions, and poster presentations.
- Acknowledgement on PRIM&R’s website; in the conference guide; on looping slides played in general session; and in a pre-event highlight email sent to all attendees.
- Several high-level support opportunities, including conference pens, notebooks, or mugs; support of meals, breaks, or receptions; conference Wi-Fi, and more!

Questions?
Contact Mariellen Morris, director of conferences (413.364.5877 or mmorris@primr.org).

*While it trades on the SeaWorld name and proximity, the Renaissance Orlando at SeaWorld® is not affiliated with SeaWorld Entertainment, Inc., which will receive no direct benefit from the conference. As a leading voice in advancing the responsible use and care of animals involved in research, PRIM&R aims to highlight this opportunity to engage the community in a dialogue about animal attraction facilities such as zoos and aquariums.

Electricity, hard-wire internet lines, additional furniture, and audio visual equipment are NOT included in the setup. Please see the Exhibit Services section for information on ordering.

Setting up or dismantling your booth outside of the designated move-in/move-out times is strictly prohibited, as it is disruptive to attendees and other exhibitors.

**Floor Plan and Booth Assignments**
Booths are assigned on a first come basis—as applications are processed with deposit/payment; preference will be given based on support level. PRIM&R reserves the right to make modifications to the floorplan that may be necessary to meet the needs of the exhibit area. PRIM&R has the right to allocate and assign space among vendors and to relocate exhibits after initial assignment, if circumstances warrant, at its sole discretion. If there is a vendor whose booth you do not want to be next to, note this on the application form next to your preferred booth space. We will do our best to accommodate preferences, but we cannot guarantee placement.

**Badges & Staff Registration**
Vendor staff must wear their conference badges for identification. Vendors receive complimentary registrations that allow your representatives access to all events and programming at IACUC20, excluding the Preconference Programs on April 5. Vendors may add IACUC20preconference and/or additional IACUC20 registrations to their package at an additional price (see application). Registration instructions for your complimentary badges will be provided once the event registration opens.
| **On-site Conduct** | Vendors agree to keep exhibits properly staffed during the show hours. Setting up or dismantling your booth outside of the designated move-in/move-out times is strictly prohibited, as it is disruptive to attendees and other vendors. PRIM&R reserves the right to prohibit or restrict exhibits that, because of noise, method of operation, materials, or any other reason, become objectionable. In the event that restriction occurs, PRIM&R is not liable to refund the any supporter or exhibitor expenses.  

The objective of PRIM&R’s conferences is to provide a safe and respectful environment for attendees to increase their knowledge and understanding, learn best practices, grapple with both late-breaking and longstanding challenges, and confer with peers and experts in the field. PRIM&R is committed to being an impartial convener within the field, which encompasses people with a range of differing opinions. PRIM&R values freedom of expression, constructive and respectful dialogue, and spirited discussion, as they are essential to finding common ground and advancing the goal of responsible, ethical conduct of research. To preserve the objectives and integrity of its conferences, PRIM&R will not tolerate the disruption of conference sessions that results in:  

- The inability for the learning objectives of those programs and sessions to be met.  
- The inability for dialogue, discussion, debate, learning, and/or networking to take place  
- Harassment, badgering, or verbal threats.  
- The use or threat of physical force by any individual or group of individuals against another.  
- Destruction of property.  

By supporting or exhibiting at IACUC20, you agree to refrain from conduct that is disruptive or destructive in the ways outlined above. In addition, all participants attending a conference are subject to the laws applicable in the state of the event. PRIM&R reserves the right to withdraw the name badge and, therefore, deny access to participants or vendors who do not adhere to these principles and values. Individuals asked to leave the meeting will not receive a refund and will be prevented from registering for or exhibiting at future PRIM&R events. |
